Sir:

Under the provisions of 37 CFR §1.97 through §1.98 and pursuant to Applicant's duty of disclosure under 37 CFR §1.56, Applicants respectfully bring the following documents cited in the European Office Action in a counterpart foreign application, copies of which are enclosed, and listed on the attached form PTO-1449, to the attention of the Examiner in charge of the above-identified application.

Further, an English language abstract is attached to references.

I hereby certify that each item of information contained in this Information Disclosure Statement was the first citation of that item by a foreign patent office in a counterpart foreign application, which occurred not more than three months prior to the filing of this statement.
